Dear Mr. Stanton,

On November 26, 2018, the Tennessee Department of Safety & Homeland Security received your Public Records Act request for all information on the attached sheets.

Tennessee Code Annotated § 10-7-503(a) provides the following:

(2)(B) The custodian of a public record or the custodian's designee shall promptly make available for inspection any public record not specifically exempt from disclosure. In the event it is not practicable for the record to be promptly available for inspection, the custodian shall within seven (7) business days:

- (i) Make such information available to the requestor;
- (ii) Deny the request in writing or by completing a records request response form developed by the office of open records counsel. The response shall include the basis for the denial; or
- (iii) Furnish the requestor a completed records request response form developed by the office of open records counsel stating the time reasonably necessary to produce such record or information.

Pursuant to Tenn. Code Ann. § 10-7-503(a)(7)(a) and Section IV.E. of the Department's Open Records Policy, located at <https://www.tn.gov/safety/publicsafety/openrecords.html>, this Office requires proof of Tennessee citizenship to process your request. Please submit a copy of your photo ID either by email, fax, or in person in order for this office to begin processing your request.

Also, please refer to Section IV.C. & D. of the Department's Open Records Policy for the correct contact information in order to submit a request. Contacting the Department through the specified means will ensure that your request is received and appropriately processed.

If you have any questions, please feel free to contact me.

Sincerely,

Kyle Turner
Assistant General Counsel
